PARSONS-SOUDERS Co.

Parsons-Souders Offers Tonight

77 Young Women's Brand New \$35 Tailored Suits at \$25 in the House of Fashions On Main Floor

This store is constantly on the lookout for good things for its patrons, and as one of the salesladies said, "here's the makings of 77 good friends for the Women's Clothing Store."

If classy styles and fine quality at a low price can make friends, these suits undoubtedly will.

They are suits of a class that we have never before sold at twenty-five dollars.

The makers do not produce \$25 Suits—except at end-of-season times in order to sell off his excess yardage.

These Suits are one and two of a kind, making an assortment of Winter styles at probably the lowest price for which any store has ever secured the pick and choice of a good maker's stock. They are made of Superior Broadcloth, Duvetine, Faille Cloths, Poplins, Serges, etc. All regular sizes are included.

Parsons-Souders Said Yesterday

48 Children's Coats of \$6.50, \$7.50 and \$8.50 Grades at \$5

And sale started this morning. Today's news is that the selection is yet good and augmented for tonight's selling by a new Chinchilla Coat in grey, navy and brown, in ages 6 to 16 years, that's worth every cent of \$7.50. There is only 21 of these.

Parsons-Souders Offers Beginning Mon. Dec. 1

200 Pairs Young Women's Tan Boots of \$3.50 and \$4 Grades at \$3.00

The reason is that more women than we figured on are buying black shoes and leaves us with too many tans in stock. Not that tan shoes are not fashionable. They are.

More women are learning to get out in the open to play hard, or walk strenuously, breathing deep and to have some real fun in life.

The best shoes for this purpose are TANS. Therefore, this sale is especially interesting to out-doors folk. You may choose

Russian Calf or Box Tan in button or lace styles, and in all sizes, tho' not every size in each style. Ready beginning Monday, Dec. 1st.

Important Announcement

Parsons-Souders begs to announce the coming of Mr. Kruskal with his usual High Grade Exhibit of Furs and Fur Garments, on Wednesday and Thursday, December 10 and 11.

GOOD REASONS.

I wish to call the attention of my friends and patrons to the fact that I do not have a substitute. I do not employ nor send out a man. I am the artist here in this studio. I personally transact all of my business and make all of my sittings. In the studio or out of it. I also desire to thank those customers who have so liberally and kindly recommended my work to their friends. Practically every one, especially those who buy high class photos, remark that they are the best they have ever had taken. I understand how to make them good and that always pleases not only the sitter but those who are fortunate enough to receive one of them as gifts. This is the very reason why you should have your photos made at the "Our Way" Studio by MRS. M. E. RARICK.

SEALY TUFTLESS MATTRESS

This wonderful mattress is made in Sugar Land, Texas, the heart of the finest cotton land in the world. The long, white, springy cotton, the choicest of the Brazos Valley, is blown into the mattress by a pneumatic process, where the long cotton fibres interlace and intertwine, forming one huge batt, which is just sufficiently resilient to conform to every curve of the body. You owe it to yourselves to provide the most comfortable place to sleep. The SEALY will last twice the time and give twice the comfort of any other mattress. It gives universal satisfaction, yet costs no more than any other pure, cotton mattress.

Sugar Land, Texas, is the home of the SEALY, old on a positive 20-year guarantee.

Every one a sleep-producer. Elasticity is the SEALY characteristic.

Always conforms to every curve of the body. Most like sleeping on a huge pillow.

Long, white, fibre cotton only used. Lumps, humps or bumps will never appear.

You may use one 30 nights on approval, our money back, if unsatisfactory.

Try one thirty nights, and if you find it as represented, and if you want it, the price will be \$25.00. They are sold everywhere at \$25.00. Ask about our special holiday terms on the SEALY.
